

## Technology Timeline Rubric

Student: \_\_\_\_\_

### THINKING AND INQUIRY:

The thumbnail sketches demonstrate well-researched knowledge of the history of an invention. The proposed layout shows understanding of the principles of design, and thoughtful preparation for creating the poster.

1    2    3    4    5    6    7    8    9    10

### COMMUNICATION:

Your technology timeline clearly communicates information about your chosen topic. The timeline includes a title plus 3 – 7 images accompanied with a date and a brief description to explain each significant stage in the evolution of your chosen technology (from the beginning through to present day). Proper sentences are required.

1    2    3    4    5    6    7    8    9    10

### KNOWLEDGE:

The timeline demonstrates knowledge of the development of the invention or technology over the last century.

1    2    3    4    5    6    7    8    9    10

### APPLICATION:

Your technology timeline is well composed so that all elements appear organized and balanced.

1    2    3    4    5    6    7    8    9    10

Software skills are demonstrated through Photoshop techniques that are applied with precision. Adobe Photoshop techniques include: scale, magic wand, clipping masks, feathering, transparency settings, filters, etc.

1    2    3    4    5    6    7    8    9    10
